just how you want it*

RISO **KZ 30**

RISO KZ30

Fast, easy and versatile - the ultimate in low-cost, high-quality printing

The RISO KZ30 breaks new ground in fast, economical, high-quality printing. Productivity is assured thanks to print speeds of up to 90 pages per minute, and the 500-sheet paper feed tray lets you carry out long print runs unattended. The printer is environment-friendly too: there's no energy-intensive heater - which means no warm-up time - and there's a user-programmable sleep mode which puts the printer into low-power hibernation after a set period with no operation. It's also Energy Star-compliant, so you're assured of the highest levels of environmental performance. Operation is extremely economical, with the price of a single printed sheet little more than the cost of the paper. You also enjoy hands-clean operation with sealed ink cartridges that just twist into place. Versatility comes from compability with a wide range of paper weights from 50-128g/m² and 4-step adjustment of paper feed pressure to match. What's more, the KZ30 is compatible with a wide range of applications thanks to its 300 x 300 dpi resolution, USB connectivity to a PC, 4-mode line processing function (Line, Photo, Duo and Pencil), 3-step enlargement/4-step reduction, 2-up printing and 6-memory program print. Whether you're a school, an office or a commercial operation such as a print shop, you'll find it's the ideal printer for all your jobs. Best of all is the easy operation given by the large LED control panel, with dedicated buttons for each function allowing everybody to do beautiful printing with virtually no training.
● RISO KZ30 Specifications

Master-making/ Printing methods	High-speed digital master-making/ Fully automatic stencil printing
Resolution	Scanning resolution: 300dpi x 300dpi
	Printing image resolution: 300dpi x 300dpi
Original type	Sheet
Original size	182mm x 257mm - 257mm x 364mm
Original paper weight	50g/m² - 107g/m²
Print paper size	182mm x 257mm - 297mm x 420mm
Print paper weight	50g/m² - 128g/m²
Paper supply capacity	500 sheets (64g/m²)
Print area (max.)	249mm x 352mm
Master-making time (for A4/Portrait/ 100% reproduction ratio)	Approx. 48 seconds
Image processing modes	Line, Photo, Duo, Pencil
Reproduction ratio	Preset enlargements: 141%, 122%, 116%
	Preset reductions: 94%, 87%, 82%, 71%
Print speed	60ppm, 90ppm

Print posisition adjustment	Vertical: ±10mm, Horizontal: ±10mm
Ink supply	Fully automatic (800ml per cartridge)
Master supply	Fully automatic (approx. 100 sheets per roll)
Features	Auto base control, Auto process, Auto sleep, Confidential, Paper feed pressure adjustment (4 steps), Program printing, Scanning contrast (Auto + 5 steps), RISO iQuality System, 2up
Option	RISO PC INTERFACE CARD USB 2.0*¹
Sound level (90ppm at operating position)	Less than 70dB
Power source	100V - 120V AC, 50Hz - 60Hz, <1.5A> 220V - 240V AC, 50Hz - 60Hz, <0.7A>
Power consumption (without option)	Max.: 110W, During stand-by: 13W, During sleep mode: 5W
Dimensions (WxDxH)	When in use: 1250mm x 655mm x 510mm When in storage: 600mm x 655mm x 500mm
Weight (without consumables)	Approx. 52kg

Specifications are subject to change without notice. Details may vary depending on the region.

*1 : Use a commercially available USB cable less than 3m (that conforms to the USB 2.0 standard).
